KNOW THAT I'M HERE FOR YOU

Dear Eric and Esther,

Understandably, there is a lot of fear and uncertainty right now. Many people are worried about their retirement accounts, their insurance coverages, and their financial plans. I can help.

The time to protect your nest egg is now. I am offering complementary account and policy reviews, to help you be more equipped for the future.

Please call me to set up the best time for us to get together.

Sincerely,

Therese
